

62: to build a fire

- 1) It never occurred to the man that he was seriously at risk from the extreme cold.
- 2.1) travelling alone
- 2.2) lighting fire under tree
- 2.3) not carrying spare dry clothes
- 2.4) venturing out at all in such cold
- 3) He is smug – he is shocked – he recovers his composure – he panics. [The key words are **bolded** in text.]
- 4) This is an open question and, obviously, the discussion needs to be directed. To read an account of battling extreme cold (and surviving!) visit: www.wipeout.com.au/articles/whiteout.html
